We, the class of 1956, dedicate this edition of the "Northern Light" to our parents, those wonderful people who, with constant faith in our ability, have lovingly guided us this far.

BENCH

Raw material, crude and unsightly comes into a factory. Put into the hands of mastercraftsmen it becomes purified, strengthened, and beautified until, having been carefully and expertly molded, it is transformed into a piece of exquisite jewelry ready for the showcase.

Our development, throughout our school life and especially during our high school years, has been comparable to the evolvement of a finished jewel. Through the efforts of our parents and teachers, we have been carefully refined and tempered, until now at last, we stand on the threshold of the world — our Showcase!

The theme of your Yearbook this year, "From Bench to Showcase," can be paraphrased to symbolize the work of our high school.

Pupils enter high school, in a sense, as raw material or partially worked material. As "finished" products of the secondary school, you will need to continue to work hard, and consistently follow the teachings of God which were handed to us centuries ago and which will never change regardless of the complexity of the world in which you live.

TO THE CLASS OF '56

HON. JOSEPH W. MARTIN, JR.

Minority Leader, U. S. House of Representatives.

It is a source of great pride to be able to write this little greeting for the 1956 yearbook. My work and travels have carried me all over the world; and, of course, the problems of war and prosperity demand great attention. But I always recall with pride my years passed in the North Attleboro High School, years which terminated my educational opportunities. Although unable to go to college, I have been awarded Honorary Degrees by seven of our leading colleges. These I treasure highly but no more than the little certificate given by the School Committee to the effect I was a North Attleboro High School graduate.

Although far away, I follow with keen interest the activities of the school and its athletic teams.

When I read of the costs of maintaining football and baseball teams today, I think of the time when as a member of these teams the players had to "chip in" to buy the bats and balls. As far as coaches were concerned we had to depend for the most part upon volunteers; and, of course, the receipts of today are amazing compared with the old days.

Gymnasiums, school lunches, auditoriums, school bands, etc., were undreamed of in those days.

But we did get a good fundamental education which compared most favorably with other schools.

The high school, like the town, has progressed tremendously since those days, and that progress will be continued as America moves forward.

One thing I would like to stress. The high school spirit through the years has always been very strong. It taught an affection for the school and town that always made a fine impression.

To the students I have but one message: Take full advantage of your educational opportunities. These will help you wherever you may be called.

Be loyal to your school, your town, and above all to America. You are living in the finest land in the world — a land of freedom and opportunity. These must be preserved.

Joseph W. Martin, Jr.

FISCAL REPORT

- September 1—FOOTBALL SEASON starts. Ugh! Noses and shoulders to the ground the team began a rough season of practice when swimming felt more appropriate!
- September 19—SCHOOL STARTS. Thanks to an epidemic, the school somehow survived until this date without its new Seniors.
- September 28—SENIOR ELECTIONS. To lead our class in this history making year, we elected Dave Redding as President, Pat Joyce as Vice President, Martin Guthrie as Treasurer, and Gail O'Connor as Secretary.
- October 7—FIRST NIGHT GAME! Unfortunately, our first night football game in the history of N. A. was lost to Canton after a hard fight.
- November 24—THANKSGIVING GAME. The start was perfect, the game was marvelous, the end was tremendous! We won!!
- November 26—THANKSGIVING DANCE. Everyone came to celebrate the triumph over Attleboro.
- December 9—SENIOR PLAY. A new set of class comics displayed their antics in a hilarious comedy that brought the house down.
- December 17—CHRISTMAS DANCE. A jazz session quickened the tempo of the dances to some fancy stepping.
- December 20—BASKETBALL SEASON STARTS! The defeat to Taunton didn't spoil the boys' fighting spirit!
- January 28—SENIOR PROM. The Prom proved to be a gala occasion - one long to be remembered!
- February 11—SADIE HAWKINS versus MICKEY MOUSE. The aggressive "mice" of our school asked their dreamy "rats" to the biggest hit of the season, put on by the Junior Class. Where did they get those hats!!!!
- March 17—ST. PATRICK'S DANCE. Good ole St. Pat. found a bit of blarney in every one that night as students tripped to an Irish Jig.
- April 4—SPRING CONCERT. Beautiful music - romantic tempo - a triumph for Mr. Christiansen and his music makers!
- April 7—STUDENT COUNCIL DANCE. Another first. This dance proved to be a great success!
- April 11—MUSIC FESTIVAL - bands - bands and more bands!
- May 19—JUNIOR PROM. Another fabulous dances sponsored by the Junior Class. Everyone had a splendid time!
- June 7 & 8—SENIOR EXAMS. Whew! What a relief after four years to have our last exams chalked off!
- JUNE 11—CLASS DAY BANQUET. No one can deny we were the best looking group of Seniors to sit on the stage to receive our Class Day gifts. That night our banquet was all that we dreamed it would be!
- June 13—GRADUATION. Mixed emotions floated through the air as we crossed the stage, leaving behind our school day memories for a world of high adventure.
- June 14—SENIOR RECEPTION! We've made it!

A penny towards a 1960 Mercury for you, Skip.
Ken gets shrinking pills because we think he has an unfair advantage.
A veil for Pat Nisbet to hide her blushes.
Here is a church key all your own, Bill!
For Mary-Lynn, a report card loaded with D's and E's, just for a change!
To remind her of her duties, a prescription blank for Jean Weldon.
A rag doll to keep Pat Summersall company while he's away.
A diploma for Ian! He was afraid he wouldn't get one!
For Ray, this book with all the Senior girls' addresses.
A year-round late pass to room 28 for Dick Treen.
So Russ can keep his witty ways, a Jerry Lewis joke book.
A clip for that ponytail, Carol Stanhope.

A list of the Senior boys, in case you ever decide to come back to N. A., Joan.
A watch for you, Mac, so you won't be late for graduation!
We make Jackie, who's always found in the Art Room, Miss Bracey's assistant.
A notebook is yours, Ray Joubert, to keep you posted on those French history dates.
For a change of scenery, Norma, a contract to work at the Boston Globe office this summer.

VARSITY FOOTBALL

The football team of "55 - 56" was headed by Co-Captains Dave Schofield, end, and Joe Withington, halfback, both doing a fine job under the supervision of Coach Edward Marx and his assistants, Mr. Arthur Coggio and Mr. Michael Musiker.

Although the season as a whole did not produce victorious scores, enough experience was achieved to win the all-important game — North Attleboro with Attleboro.

The final score, 6-0, was an honorable win for Seniors Dave Redding, Dave Schofield, Joe Withington, Martin Guthrie, Paul Whalen, Jeff Moriarty, Larry D'Arpino, Marshall MacDonald, Dick Treen, John Sherman, Donald Lachance, and Jim Stack.

Joe Withington made the lone score for the Red Rocketeers!

BASKETBALL

The girls' basketball team ended another successful season with six straight wins and one loss. The two things which enabled the team to have such a successful season were sportsmanship and team work. Whether the team came out as a winner or not, the members have always kept these two facts in mind.

Teams played:

PLAINVILLE

ATTLEBORO

MANSFIELD

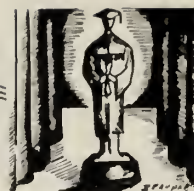

What is sportsmanship? It is that area of conduct that goes beyond and above the requirements of rules, agreements, accepted standards, and normal procedures. It is the qualities of honesty, courtesy, respect, consideration, loyalty, restraint, and dignity. It is the athlete's way of expressing "The Golden Rule."

Both the Varsity and Junior Varsity squads have attained this honor during their season's play, and my thanks and admiration to them, but especially to the five seniors.

HONOR

SOCIETY

The National Honor Society was founded to recognize and stimulate an interest in Character, Scholarship, Leadership, and Service in the secondary schools of the country. The general aims of this chapter are to participate in, organize, and carry out projects which will benefit our school and our community. It is our hope that the chapter will reach maximum efficiency and service in the very near future.

The North Attleboro Chapter of the National Honor Society entered its second year at North High with four members: Bruce Nimmo, president; Marilyn Magnan, vice president; Ian Cruickshank, treasurer; and Jacqueline Clarke, secretary. With such a limited membership it was very difficult to plan any activities. We did, however, hold discussions on the Honor Society with the Freshmen, Sophomore, and Junior classes.

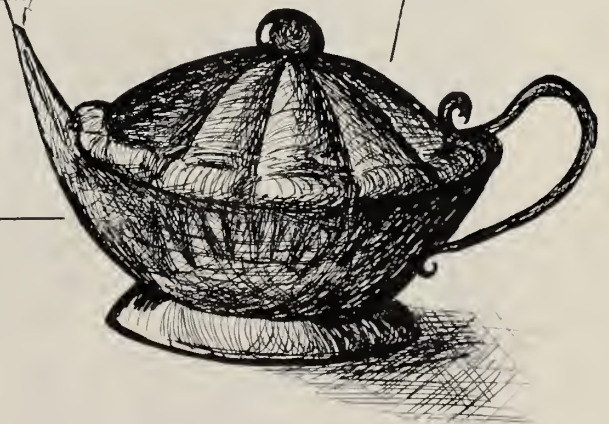

The annual induction ceremony was held on March 28 in the high school auditorium. Several outside speakers attended. They were: Nelson Gulski, Dean of Bryant College; Rev. Edmund Dickinson of Sacred Heart Church; and Rev. Raymond Baughan of the Universalist Church. In addition, each of the officers gave a short talk.

The twenty new members were selected from the Senior and Junior classes, and were as follows:

Seniors: Joseph Fournier, Dorinne Guimond, Patricia LaFratta, Carolyn Morris, Gail O'Connor, Walter Prest, William Reid, Mary-Lynn Sanborn, and Jean Weldon.

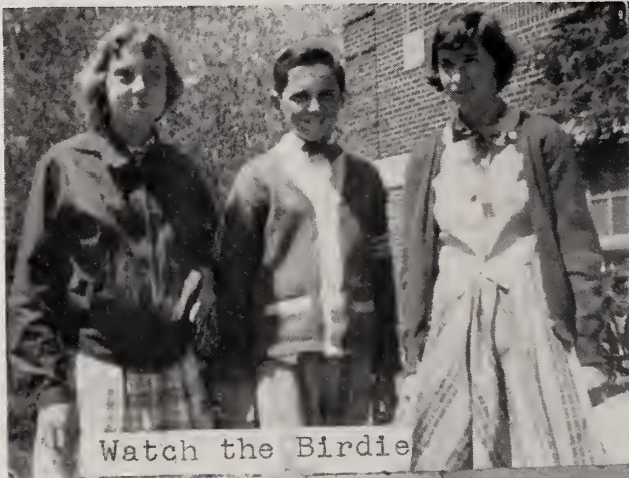

Juniors: Joel Bastow, Robert Bouchard, Nancy Coddling, Robert Daggett, Phyllis Fetzer, John Gemeinhardt, Francis Golden, Maryanne Hanlon, Nancy Johnson, Carol Lovell, and Jean Ryder.

OUR ARTISTS

Miss Barbara Bracey

Art, like music, is a universal language. It is another creative means of intellectual expression. It speaks to all men regardless of human variations in ideas, habits, customs, and tongues. It transcends distance and time. Art records the culture of past generations as well as that of the present, and it will speak of our culture and civilization to future generations. In its simplest form it is a language that we all can use, or in its most complex role it is the most expressive language of all.

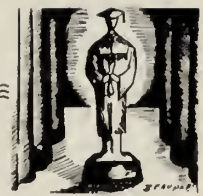

There is an old Chinese proverb, "A picture is worth a thousand words." The art staff of your yearbook have used their talents and imagination to contribute to the success of your publication by their interpretation of the theme, "From Bench to Showcase."

APPRECIATION

We, the class of 1956, gratefully thank the following people, without whose assistance the 1956 edition of THE NORTHERN LIGHT would not have been possible:

The manufacturers, merchants, professional people, and all others who contributed financial assistance by placing ads in our book.

Mr. Clarence Greene and the staff of the Commercial Press, whose cooperation and cheerful help made the yearbook a reality.

Miss Marie Scanlin, yearbook advisor, who gave generously of her time, knowledge, and guidance in the preparation of THE NORTHERN LIGHT.

Miss Barbara Bracey, art instructor at N. A. H. S., for the time, aid, and ideas with which she assisted the art staff.

The Honorable Joseph W. Martin, Jr., for remembering the Class of 1956.

Mr. John Stollard, of the Chronicle, who assisted us by taking our extra pictures.

Our parents, for encouraging us to publish THE NORTHERN LIGHT.

Our classmates, Ian Cruickshank, Joan Morrill, Norma Bishop, and Ann Leavitt for the extra work, outside of regular staff assignments, which they did to make the book a success.

The faculty and student body of N. A. H. S., for their support and cooperation all through the year.
